CHC30113 Certificate III in Early Childhood Education and Care

Description

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously. **Please Note:** Students must be 18+ years old to enrol in this qualification.

Pathways from this Qualification

After successfully completing this qualification, students will be able to advance their studies, should they wish, through higher level qualifications in early childhood education, such as:

- CHC50113 Diploma of Early Childhood Education and Care.

Duration of this Qualification

This qualification will take 18-36 months to complete. Work placement within a childcare centre is a requirement for the course, and you will be expected to do a minimum of 240 hours over the course of the qualification.

Cost of this Qualification

The cost of this course is $3,300* per person. *Concessions may apply to eligible students.
Progressive Training may be able to offer payment plans – please contact the office for further information.
Please Note: *The Student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply such as Student service and resource fees.*

How will I be Assessed?

- Verbal/written assessment/s of underpinning knowledge
- Observation within the workplace
- Workshop action learning scenarios
- In-class participation
- Workplace projects

Recognised Prior Learning (RPL) is available for this qualification.

What will I get at the end of this Qualification/Course?

Statement of Attainment: For units completed.
Certificate: If all required units are completed.
