

# RIIWHS204D

## Work safely at heights

### Description

This unit describes a participant's skills and knowledge required to work safely at heights in the Resources and Infrastructure Industries.

This unit is appropriate for those working in operational roles where they are required to perform work at heights.

### Licensing/Regulatory Information

Licensing, legislative, regulatory and certification requirements that apply to this unit can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the unit.

**Note:** The terms 'Occupational Health and Safety' (OHS) and 'Work Health and Safety' (WHS) are equivalent and generally either one can be used in the workplace. In jurisdictions where the National Model WHS Legislation has not been implemented, RTOs are advised to contextualise the unit of competency by referring to the existing State/Territory OHS legislative requirements.

### Delivery Method

The course is delivered by highly experienced trainers, using face-to-face delivery techniques. It includes a combination of questionnaires, discussions and practical exercises. The course is interactive and focuses on practical skills and knowledge.

### Duration of this Qualification

Course duration will depend on previous experience and course numbers. Please contact us for more details.

### Cost of this Qualification

The cost of this course is \$330\* per person. \*Concessions may apply to eligible students.

**Please Note:** *The Student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply such as Student service and resource fees.*

### How will I be Assessed?

You will be assessed via a knowledge test that is conducted in a classroom testing environment where students may use reference of all their training materials, workbooks and manuals available for reference throughout the training course. The practical section of the course will be assessed via observation.

### What will I get at the end of this Course?

On successful completion of this unit, you will receive:

- Statement of Attainment

**For more information, please contact Progressive Training on the number below.**
